Students at Sanger High will long remember the spirit, loyalty, school pride, and honors that have built their high school careers. In years to come they will remember warmly the good times and exciting events of their high school days. The 1962 Echo attempts to reflect a little of this year's Sanger high.

Jeff Wilson conducts a physics experiment.

Frosty the Snowman came to town.

Teachers take part to the utmost.

In goes the shovel, out comes the classroom.

Tom Grainger creates another masterpeice.

Student Body President Jervy Smith opens an assembly.

Many problems are hashed over in the office.

Cherished Events Will Linger in Fond Memories

Seniors enjoy senior problems classes.

As seniors prepare to take on the responsibilities of adult life, they look with mixed emotions at the halls of Sanger. Seniors have been building their lives through the experiences of their high school career, and now as they prepare to walk down the halls of Sanger for the last time as students, they will always cherish the lasting friendships that have been made.

This year's graduating seniors are proudly leaving the school with a trophy plaque and lights for the outdoor bulletin board, hoping that in some small way these gifts will remind all following classes of the class of 1962.

Able Officers Lead Active Class of 1963

Spirit of the Junior class was revealed by Cheerleaders Susan Davis, Richard Yamaguchi, and Chris Molich.

The 1962 Junior-Senior Prom, presented June 2, at the Belmont Country Club, reflected the patient and thorough planning of the Junior Prom committee. The Prom, entitled "Heavenly", featured the instrumentation of Ernie Bender and his orchestra. The committee chairmen are, **Seated:** Virginia

Nearly half of Sanger's 62 CSF'ers in the first semester of this year were from the Junior class.

College Bound Juniors Take Achievement Tests

A large percentage of the Junior Class took the annual aptitude tests offered by the school, including the Preliminary Scholastic Aptitude Test, the National Educational Development Test, and a state high school aptitude ranking test. An entry in the Sanger Toyland Parade gained the juniors a second-place award in their entered division.

Juniors Gain Award In Toyland Parade

Mr. Rex Tyner, Mr. Wayne Booth

Directing the careful planning necessary for smooth operation of any institution were two familiar figures at Sanger High; Superintendent Rex Tyner and Principal Wayne Booth. Besides the normal problems encountered throughout the school year, these men had to cope with an increase in enrollment as well as abnormal weather conditions last winter. Nevertheless Mr. Tyner and Mr. Booth always had smiles and friendly conversation for anyone visiting Sanger High. Their direction was important in the progress of Sanger High and its more than 1100 students.

Miss Ellen Baxter, Mrs. Ione Hansome, Mr. Ed Perkins, Mr. Bob Bender.

Aiding students in the wise selection of courses and careers is the duty of the class counselors. Miss Ellen Baxter, Junior Class counselor, spoke with all interested juniors to help prepare them for and place them in the college of their choice. Of great aid to the Seniors was their counselor, Mrs. Ione Hansone. She offered personal advice as well as group advice to all seniors through her senior problems classes. Mr. Ed Perkins acted as Director of Guidance/Counseling while aiding the Sophomores. Mr. Robert Bender encouraged the Frosh students and helped them on their way to successful school years.

Miss Joan Fuchs, Mr. Chet Duckhorn

Students look to Miss Joan Fuchs, Dean of Girls, and Mr. Chet Duckhorn, Dean of Boys, for reliable guidance in solving almost any problem. Other duties of the Deans include checking attendance and disciplinary action. Mr. Duckhorn is also vice principal of Sanger High, thus bearing a double load. When asked his specific duties he commented that everything somebody else does not do they send to him. He can be found during the lunch hour at the student store where he offers friendly conversation as well as timely help during the rush portion of the 4b lunch period.

Sanger's business department included many able instructors. Art De Manty strives to develop vocational competency in his students through his business math and book-keeping courses. Mr. De Manty also instructs a physical education course, and is quite a sportsman himself. Richard Bray adds plenty of cheer to Sanger whether in typing I or driver's training. A hunting enthusiast, Mr. Bray also drives one of Sanger's bus routes. Don Brooks now teaches general business, but is probably best remembered as director of the Apache Band. He attended Western Illinois State University and University of Southern California. New this year to Sanger's staff is Anita Thomas. Teaching typing and shorthand, Miss Thomas is a Fresno State College graduate.

Mr. Art DeManty, Mr. Richard Bray, Miss Anita Thomas, Mr. Don Brooks.

Mr. Eugene Wahlstrom, Mrs. Ann Bensinger, Mr. Deo Wolff, Miss Arline Jacobsen.

Eugene Wahlstrom recalls many fine years with the Sanger a capella choir, and other choral groups. Having attended MacPhail School of Music, University of Minnesota and Harvard, Mr. Wahlstrom also enjoys many hobbies. Coming from UCLA is Anne Bensinger. She enjoys decorating and art, and stresses constructive thinking. Deo Wolff listens to Sanger's fine band from the director's position, and is a hi fi enthusiast. Mr. Wolff attended Colorado State. Another welcome addition to Sanger's faculty this year is Arline Jacobsen. Miss Jacobsen likes art and skiing and is a graduate of Fresno State College.

Mr. Tarlton Townsend, Miss Charlene Murphy, Miss Ellen Baxter, Miss Dorothy Ho.

The past three years have marked great expansion of Sanger's foreign language department. Adding experience and enthusiasm is Tarlton Townsend, a graduate of Oklahoma University. Mr. Townsend teaches Spanish and German, and minored in French in college. Charlene Murphy completed her third year at Sanger this year. Having attended Shasta College and Fresno State College, she teaches French and English. Ellen Baxter steps aside from her counseling duties for two periods to teach Latin. She believes the teaching of Latin has many values and hopes to see a language lab at Sanger soon to teach it more thoroughly. Dorothy Ho, a graduate of Boston University, also hopes to see a language lab at Sanger. She teaches Spanish and enjoys shell collecting.

Mr. Don Peoples, Mr. Loren Staudenmeier, Mrs. Betty Crosby, Mr. Bob Brune, Mr. Ray Ensher, Miss Alice Vetter, Mrs. Ann Jones.

Properly taking its place in the library is Sanger's English Department. With eight members it is one of the largest and busiest in the school. Robert Brune, standing, coaches "B" basketball as well as five periods of English 3. Donald Peoples, hailing from Carroll College in Helena, Montana, strives to give students competency in communications. Loren Staudenmeier has enriched his classes with his wide variety of majors. An enthusiastic fisherman, he's always open to suggestions for good fishing spots. Betty Crosby heads the English Department. She attended San Jose State and the University of California at Berkeley. Ray Ensher, drama and English teacher, also enjoys swimming and tennis. Two "Freshmen" at Sanger this year, Alice Vetter and Ann Jones, have been very helpful additions to the staff. Miss Vetter is from the University of Washington; Mrs. Jones, from Texas Western.

Keeping the youth at Sanger High physically fit is well done by the Physical Education department. In her first year at Sanger is Christine DiSibio. Miss DiSibio comes from Fresno State and enjoys golf and music. Jan Hunter's smile always adds to the friendly spirit of our school. Mrs. Hunter likes sewing, interior decorating, bowling, and pizza. Nish Haroian advocates the value of skills, self-confidence, poise, aggressiveness, and sociability gained from P.E. Jack Tiftick coaches Sanger's consistently high-ranked swimming team. He'd like to see more indoor equipment at Sanger. Dean Philpott comes from Fresno State and coaches football and baseball. J. R. Boone assumed the position of Director of Athletics this year. Coach Boone enjoys many athletic pastimes, and has coached the Apache football team in three championship years.

Miss Christine DiSibio, Mrs. Jan Hunter, Mr. Nish Haroian, Mr. Jack Tiftick, Mr. Dean Philpott, Mr. J. R. Boone.

Mr. Harold Day, Mr. Gerald Stearns, Mr. Bob Bosserman, Mr. John Luther, Mr. Dean Philpott, Mr. Wilfred Laemmlen.

The experienced Shop Department at Sanger gives students a better knowledge and use of the manual skills. Harold Day presents future agriculturists with modern scientific methods and research. He attended Cal Poly. Gerald Stearns hopes to create more and better engineers and architects in his drafting classes. Bob Bosserman hopes to see improvement in the electronics facilities at Sanger. Mr. Bosserman is also a track coach. John Luther hopes to see a seven period day soon to give more boys a chance to take shop classes. Dean Philpott teaches metals and auto shop besides his coaching duties. From the University of California at Davis, Wilfred Laemmlen hopes to give boys a better use of tools and mechanics in wood and metal work.

Sanger has good reason to be proud of its Math Department. Dean Nicholson presents to his Advanced Algebra and Senior Math classes the importance of desire to improve, determination, hard work, and neatness. Mr. Nicholson also coaches football, basketball, and golf. New to the Math staff is Richard Baldwin. Besides teaching General Math and Orientation, he coaches J.V. football in the fall. LaVerne Lotspeich and Don Berry traded subjects (Algebra and Geometry) midway through the school year. Mr. Lotspeich comes from Nebraska and attends summer sessions at the University of Oregon. He also coaches "C," "D," and "J.V." basketball. Mr. Berry is a product of San Jose State and coaches cross country and track.

Mr. Dean Nicholson, Mr. Richard Baldwin, Mr. LaVerne Lotspeich, Mr. Don Berry.

Just as shop is important to development of young men, so is home economics essential to education of young women, as well as interesting and educational to male students. Although the smallest department at Sanger, its direction by Brenda Pettit and Erma Jean Crider is thorough and efficient. Miss Pettit is a graduate of Fresno State College and has interest in reading, horses and dogs. Mrs. Crider is also a Fresno State graduate. She believes home economics prepares students to be better homemakers, and suggests that such a course be required for high school graduation.

Miss Brenda Pettit, Miss Erma Jean Crider.

In order to give students pride and knowledge of the world we live in, the Social Studies Department has attempted to give Sanger students a descriptive picture of the past and present of our race. John Wirt, a Central Missouri State College graduate, presents Freshmen with many of the new problems they will face in high school. He is also active in YMCA work. Harvey Teel is recognized in his Senior Problems classes by his sense of humor and the friendly atmosphere that follows him. He comes from Chico State. The university of Washington is the Alma Mater of Clark Grafft. Mr. Grafft teaches U.S. History and publications. He is a travel enthusiast. Bernice Amaral tries to give Juniors a better understanding of the United States and democracy in her U. S. History classes.

Mr. John Wirt, Mr. Harvey Teel, Mr. Clark Grafft, Miss Bernice Amaral. Mr. Clair Barrett not pictured heads department.

Mr. Ensher explains the proper operation of the backstage equipment to the technical committee: Allyn Saroyan (kneeling), Bob Brockmann, John Lawson, and Robert Gostanian. John heads the technicians, now numbering fifteen members. The work of the technicians includes aiding and operating with students in the presentation of assemblies at Sanger High, and the supervision of equipment in any school function necessitating the use of a public address system or similar apparatus.

Janitorial duties at Sanger High are handled by this group of men. Besides keeping the grounds in neat order, Bob Fansler, John Cooper, Howard Lewellen, Alvin Heintz, and head custodian Earl Doshier add to the spirit of Sanger High with their friendly smiles and willing service, both necessary to the smooth operation of the school.

Many new and healthful dishes were added to the cafeteria menu this year as part of a campaign encouraging more students to eat in the high school cafeteria. Also encouraging more students to frequent the cafeteria was the new head cook, Millie Steinhauer (right) who feels not only wholesome food, but also a friendly atmosphere contribute to the healthy student. Aiding Millie in meal preparations are cooks Bessie Spencer and Elsie Eisner.

With the guidance of librarian Mrs. Eunice Farschon, Sanger High's student library was kept neat and inviting to Sanger's many intellectually-minded students. Helping Mrs. Farschon in the efficient control of the library are student librarians Kathy Ramirez, Sandra Faccinto, Betty Lewelling, Bernie Molatore, Pat Totherow, Christine Ybarra, Linda Summers and Alma Hughes.

Just as the duties of administration are numerous, so is the number of helpful students necessary to complete them. Aiding secretary Laura Fudge (seated) are Chris Molich, Jim Cox, Myrtle Whit-

tington, Janie Weber, Evelyn Flores, Sharon Tanimoto, Stella Redondo, Becky Sanchez, Frances Hurtado, Suzanne Hamamjian. (back) Joyce Takahashi, Alfreda McPhetridge.

Checking roll for 1100 students with six periods is quite a task for Sanger High's attendance officer, Miss Esther Jorgensen, right, but she had the help of many able students to ease the load.

Preparing for duties are: Gary Claiborne, Karen Eakins, Florence Esqueda, Anna Ponce, Joan Bristol, Judy Nielsen, Mary Cheney, Ray Bubunik, and Rosie Sedano.

Helpful Student Service Aids Administration

Sanger's crew of bus drivers is responsible for the safe transportation of Sanger School District's students to and from school, conferences, athletic events and other student activities. These men not only insure the safety of the students, but also provide interesting companions and play a large part in creating good moral on their buses. They include **Kneeling:** Doug Ashley. **Standing:** Ken Hansen, Clifford Hansen, Glen Cowdrey, Ron Ashley. **In Bus:** Roy Root, Wayne Wallace. Other drivers not pictured are Louis Saroyan, Kenny Baker, Harley Hickman, Jim Lehman, Charley Greer, Kenneth Lee, Richard Bray, Harry Frye, and Bruce Farmer.

In our scientific age, scientific study and research are the key to a successful future. Training these future scientists is partly the job of Sanger's science department. Recently added to Sanger's staff is William Schultz. Mr. Schultz is a graduate of San Jose State College and teaches physiology, life science, and general math. Carl Nelson seeks to give students a better appreciation of the complexity of nature through his biology classes. He attended Oklahoma State college and Dana College and enjoys collecting biological specimens. Arthur Everett sees many college bound students in his chemistry and physics classes each year. Mr. Everett is a graduate of Oregon State College and the University of the Pacific.

Bob Buchanan completes Sanger's science department. Mr. Buchanan is a graduate of Fresno State College and teaches general science. In the picture at the left he demonstrates the principle that hot air rises to his third period class.

While learning about the United States in her history class, Joan Gordon, foreign exchange student from Southern Rhodesia, Africa, imparts the knowledge of her homeland to her fellow students.

Not only group instruction, but individual instruction is necessary in giving the student a clear meaning of the principle of any subject. At the left Mr. Nicholson helps an advanced algebra student with one of the many problems.

Student Body President, Jervy Smith

The Student Council members met every Monday to plan and carry out the wishes of the majority of the students. In addition to calling the council meetings to order, President Jervy calls all assemblies to order with the assistance of Vice-President Kathy Whitfield. Each organization had its constitution approved by the council. The Student Council helped accustom Joan and Yusuf, our two exchange students, to the atmosphere at Sanger High. Passing and vetoing things such as coaches' recommendations of letters also were duties of this year's capable council. The members of the council attended Associated Student Council and League Meetings to learn and experience leadership.

The main purpose of the Student Council is to carry out purposes of students, and this was fulfilled efficiently.

AFS Promotes Good Will

For the first time at Sanger Union High School an American Field Service Club was started to aid the financing of AFS students who visit Sanger from other countries. Heading the club are President Sharon Bassett, and advisers, Miss Amaral, Mr. Brune, Mr. Bosserman, and Mr. Grafft. The club sponsored a movie theater party at the Sanger Theater for a money-raising project and had many interesting meetings featuring Joan Gordon and Yusuf Shah, the two exchange students to Sanger and Miriam worth from Brazil. Joan, from Southern Rhodesia, made a big hit with Sanger students and faculty right away. Yusuf, an exchange student from East Pakistan, accustomed himself to Sanger's atmosphere and was very well liked by all. An AFS assembly gave Joan and Yusuf a good chance to inform Sanger's student body about their countries and customs.

A membership drive, a meeting, featuring AFS students, and planning and putting on the International Dinner were some highlights of this year's PTA. President Mrs. Ramona Hacker and her able corp of officers brought many problems and plans to the attention of parents and teachers.

The school Board held many meetings in making plans for the construction of new classrooms and boys locker room, in employing new faculty and administration personnel, and setting up new and reaffirming old policies for the students.

Gaining experience in the field of teaching is one of the aims of this club. Under the leadership of president Elizabeth Shahbazian and the guidance of the adviser Mr. Barrett, this organization gained a broader background on the profession of teaching. The club visited Fresno State College as a part of its program. Members were given the opportunity to practice teach at Sanger's grammar schools.

Being one of the largest organizations at Sanger High, the Future Nurses had a real thriving and successful year. Field trips to the Community Hospital, Sanger Hospital, and Nutritional Home, as well as seeing some interesting movies, illustrated many technical methods of nursing. Some girls assisted at the Nutritional Home and at the immunization clinics. Under the guidance of adviser Mrs. Hightower, these girls learned many fundamental procedures about nursing. Several of these girls will further their education in some specialized field while others will become practical nurses.

Dianne Jasper, president of Girls League, and her corp of officers led many activities for the benefit of Sanger High students. Among the outstanding events were the Big-Little Sister Party, Girls League Assembly, the Christmas Dance, Sadie Hawkins Dance, and the Spring Day Dance. All

three of these dance were co-sponsored by the Girls League and the Boy's Federation. The main aim of the club is to promote girl's activities in the school, to better the welfare of the girls and to benefit the Student Body as a whole.

As officers of Girls League, these girls exhibited a great deal of leadership. **Seated:** Virginia Berg, publicity chr.; Georgia Kuge, treasurer Shirley Sasashima, secretary; Sandra Blue, vice-president; Dianne Jasper, president. **Standing:** Karen Helzer, song leader; Charlotte Jasper, program chr.; Marilyn Miner, pianist; Marsha Vartikian, Marlene De Ciero, Myrtle Whittington, cheerleaders.

Boy's Federation, the largest single club in school, also did a great deal for one organization. The highlights of the Boy's Federation year were the Christmas Ball, which they co-sponsored with the Girls' League, the Spring Dance, and the annual Sadie Hawkins Dance, which is always a riotous occasion. A finely decorated car was the

Boy's Federation contribution to a successful Toyland Parade.

Proving to be worthy of his office Ray Tanimoto led the organization as Boy's Federation president. Also performing their duties well were Roy Tanimoto, Oscar Munoz, and Steve Barnes.

California Scholarship Federation, composed of students who achieve top grades in their academic studies, is one of the many active organizations at Sanger High. Initiation of new members and well-planned assembly were presented in February. A trip to San Fransico to the annual convention was one of the many social rewards to it's members. In May, two outstanding life members each receiving \$50 from the club, were elected. Also, a generous sum of money was contributed to AFS. Do-nut sales and concession at one of the football games were a means of raising money.

To encourage good study habits, be of service to the school, and reward the well-rounded student, are some of the aims and objectives of this organization.

An initiation dinner and a decorated car, which won first place in the Toyland Parade, highlighted some of the activities of this year's club. Throughout the year, cookie, cake, and food sales, as well as a dance, contributed to the finances of the club.

Some of the aims of Business Honor Society are to promote business leadership, familiarize students with business education, and to help guide members in the field of business.

This year's Quill and Scroll Society accepted twenty journalist students from the Echo and Hi-Light's. New members were initiated at their annual publications banquet this spring.

Aims of Quill and Scroll are to promote interests in journalism, further student's knowledge in the field, and to give recognition for outstanding performance on publications.

Entering a float in the Toyland Parade was one of the many activities of the enthusiastic and ingenious Latin club. Throughout its successful year, under the guidance of adviser Miss Baxter, and President Florene Beier,

money raising projects such as cake and fudge sales kept this organization in good financial status. An initiation party brought in many lively members at the first of the year. Other social events were a Valentine party and an end of the year party.

With Shirley Sasashima and Miss DiSibio leading the newly formed Girls' Athletic Association, many girls had the chance to demonstrate their abilities in athletics. Playdays with other schools in this area provided much fun for these girls. Competition within the school gave the girls an opportunity to play against their friends. Volleyball, basketball and swimming are the three main sports enjoyed by Sanger's athletic girls.

With the help of adviser Mr. Berry and leadership of President Ruben Tinoco, the Block S served the school, students and community. Courtesy committees greeted the referees and visiting coaches prior to football games and served coffee and cookies to them. To raise money, the Block S sold ponchos and took over the A & W Root Beer stand for a weekend. A memorial in honor of the four star athletes who were killed is being planned by this year's organization. Initiation of new members highlighted a fun and frolic day. A fund to aid injured athletes in finances was started by this year's club.

Along with other activities, the Block S had one of its most successful years at Sanger.

Guided by Mr. Wirt, the two Hi-Y groups worked in close co-operation for the benefit of the school and the community. Highlights of the year included assisting the Y's men in Christmas tree work, basketball league competition, Midwinter Conference for YMCA Fresno County Youth, Father and Son banquet, Hi-Y track meet and party with the girls and many community projects.

With the helpful advice of Mrs. Farschon and Mrs. Crider, the Tri-Hi-Y members attended the Midwinter Conference in Kingsburg. Money raising projects and community projects kept these girls busy throughout the year. A Mother-Daughter banquet concluded a very successful season.

Drama Club

Again this year the Drama Club spotlighted the dramatic achievements of students and clubs at Sanger High, under the guidance of their adviser, Mr. Ensher. Assisting in the production of the all school play, "Strike Three," presenting the first musical production at Sanger High in quite some time, "Swingin' High,"; sponsoring the Best Assembly Trophy, producing a one-act play for the Pasadena tournament, painting the dressing rooms; sponsoring an extemporaneous speech tournament; presenting an assembly; and attending theater parties at the Community Theater in Fresno and local colleges, were some of the many activities in which the club participated.

This year the Drama Club has rejuvenated the students' interest in the dramatic arts.

Primarily a senior football club, the Sanger High School Apaches reigned as Central Sequoia League Champions for the third consecutive year.

The starting lineup, sparked by co-captains Homer East, Dave Ruiz, and Ruben Tinoco, consisted entirely of returning senior lettermen, and proved to be a powerful offensive

problem to every school in the league.

Turning in performances that helped the Apaches to win every league game, Ruben Tinoco, Leahmann Westrick, Dave Ruiz, Steve Barnes, and Joe Martinez provided the backfield fire while Homer East, Allen Masaoka, Ervin Shelton, Jim Nielsen, and Leon Owens contributed the vital punch in the line.

Braves Crush Opponents

Experience and sheer determination proved to be the deciding factors as the Braves managed to snatch the Central Sequoia League crown from a field of powerful opponents. The Braves were constantly in the lead as they put together a well balanced running and passing attack, while the defense proved the toughest in the league. Led by co-captain G. Lowe and

half-back K. Anderson, the defense held their rivals to a minimum of yardage. The offense, spirited by the running of D. Bowlin and D. Avery and the passing of J. Westrick, ripped the opposing defenses apart. The interior line, led by T. L. Scheidt, opened up the holes when a first down was needed.

their teammates.

Not to be outdone by the varsity, the Freshman-Sophomore and Junior varsity teams also placed high in the league with Allen Kuykendall and Jacob Presser turning in outstanding performances.

Lightweights Take Title

Led by Ray and Roy Tanimoto, the small but powerful "C" basketball team walked away with the championship in the Central Sequoia League. Other than being edged out by Reedley once, the Cees won every game of their fourteen game season.

With the sharpshooting of Ruben Hernandez, Armen Gostanian, and Ralph Kumano, plus the combined effort of Floyd and Lloyd Sanders and Duane

Deaver on the backboards, the "C" squad was truly the C.S.L. champion.

Coach Vern Lotspeich and his "D" troop should also be complimented on their fine season. Led by Captain Eddie Gibson, the Dees finished undefeated in their ten game schedule. Standouts such as Dave Bohannon, Daryl Inaba, and Larry Harris provided the downcourt spark that led the team to victory.

Matmen Win Divisional

As the climax to a highly successful season, the wrestling Apaches went all the way to win the Central Sequoia League and Sequoia divisional titles. Under the coaching of Art Demanty the squad produced all-round

champs in Pete Puga, Don Horton, Pinky Martinez, Jim Cox and Ed Cox. Ed Cox reigned as League Champion, Divisional Champion, and Valley Champion.

Close Contests Thrill Fans

Led by co-captains Ray and Roy Tanimoto, the fast-breaking Braves went all the way this year to edge out Reedley for the Central Sequoia League "B" title. The "B's" had an exceptional season in losing only one close game to Reedley. Other Brave students were Denny Bowlin, Jack Westrick, James Sanchez,

and Larry Deaver.

The last game of the season finished the schedule in high style: a victory over Selma, plus the highlight of Denny Bowlin and Jack Westrick combining for forty-six points between them.

Under the veteran leadership of Coach Dean Nicholson, the 1962 Basketball Apaches produced several outstanding players such as Homer East, Rex Martin, Jim Nilmeier, Oscar Munoz, and Jim McCollum. Although they won only five of their twelve

game schedule, the Apaches proved to be the "spoilers" of the Central Sequoia League, beating teams in close contention for second and third places. Homer East was high scorer for the team with 269 points.

Seniors Spark Line-up

This season's varsity baseball squad proved to be one of the finest ever fielded by Sanger. The team had an outstanding season with nearly the whole starting team composed of seniors, many of them being returning lettermen. Jim Nilmeier and Dave Ruiz turned in fine pitching seasons with Ruben Tinoco, Homer East, Steve Barnes, Oscar Munoz, Roy Tanimoto, and Ray Tanimoto, providing the infield spark.

J.V. Baseball

The J.V. baseball squad, coached by Dean Philpott, was by far the most experienced in the league. Although the team faced some early season defeats, it soon began to jell under the leadership of seven returning let-

termen. Infielders Ray Duran, John Garner, and Rex Martin, and outfielders Armen Gostanian and Randy Dorsey were the spearhead of the J.V. attack.

Varsity Shows Champion Performance

Planning strategy are Coach Bob Bosserman, Coach Gerald Stearns, and Head Coach Don Berry.

As could be predicted from the first meet of the season, the Apache cindermen remained in top contention for league honors through the year. Here again, senior athletes provided a great deal of the team's strength, even though the junior, sophomore, and freshman classes were not lacking for worthwhile contributions to the team effort.

Varsity performers who made outstanding contributions included: Gerald Adams and Jervy Smith in the distance races, Joe Martinez, Dennis Robson, in sprints, and Leahmann Westrick and Jim Nielsen in the weight events.

In B class, top contenders proved to be Denny Bowlin, Jack Westrick, Willie Martinez, Jim Kaprielian, and Kenny Maggard, while top C class athletes were Gary Thomson and Allen Kuykendall.

The highly talented team consisting of Ken Anderson, Wayne Deaver, Tom Tyner, Brent Harris, Jack Quindt, Ovidio Perez, and Marion Patton combined to produce many first places. In the girls division, team captain Sandra Blue, and Darlene Dodson, Kay Dobbs, Susie Davis, and Marilyn Booth produced many points for the Apaches. All School Play

"Strike Three," a family comedy by Robert Ray, was presented by the All-School Play cast on December 1 & 2. Starring Sherry O'Hara, Gordon Mercer, Diana Ericson, Bob Gostanian, Darlene Graham, and Don McFarland, this play concerned the events in the life of a mild-mannered man when he suddenly becomes the owner of a glue factory and the sponsor of a girl's baseball team. It all resulted in a hilarious series of events.

Janice Nagel and her assistant, Bernice Bergthold directed this year's play, and Sandra Gumber was in charge of the make-up. The art department constructed the scenery.

The play was sponsored by the Junior Class.

Career Day Highlights '61

The Seventh Annual Career Day, sponsored by the Kiwanis Club, highlighted the events of 1961. The day began with Senior hosts greeting the guest speakers at the front door, progressed through courses from agriculture to veterinary medicine, and ended with a luncheon in the library.

Under the capable direction of Chairman Mrs. lone Hansome, student chairman Sharon Bassett, many student committees, and business and professional men and women, the 1961 Career Day was an educational and enjoyable experience to all.

Heaven Thrills Promers

"Heavenly," was the theme and heavenly was the scene of the annual Junior-Senior Prom, which was held at the Belmont Country Club.

The transportation to "heaven" was provided by Ernie Bender and his band. The students left their earthly world and entered Paradise through the pearly gates. Angels peered through the mist of clouds dotted with stars.

The Prom was presented under the direction of John Lawson, general chairman, who worked in accord with his many committees.

June 2, 1962, was indeed a heavenly night.

Swings

"Tom! Stick to the play!"

"Do you have to wear those glasses, Connie?" Leon and Louise rehearse.

"To horse!" Richard 'McDuff' Harris practices his sneer.

"Whiffwaf, t'ain't nice to point!" Ron is admonished.

"Whiffwaf, do it right!" says director Ensher.

"Swingin' High", the 1962 spring musicale, portrayed the effects on a high school when a program of all work and no play is enforced. Under the direction of Mr. Ensher, Mr. Wolff, Mr. Wahlstrom, Kathleen Burk, director of choreography and Bernice Bergthold, assistant director to Mr. Ensher, the cast members included Karen Helzer, Leon Owen, Louise Wirt, Tom Anderson, Richard Harris, Janice Nagel, Mike Case, Dorothy Reitz, Marilyn Miner, Bob Gostanian, members of the A Capella Choir, and the band. Sponsored by the Speech Department, Band, and Choir, the musicale was an enjoyable and profitable experience for all.

Promotes "Amicability"

To promote better relations between schools in the Central Sequoia League was the purpose of the first Annual All-Star Assembly, a program composed of the top talent in the league. The talent was chosen from many applicants, who presented their acts in a try-out assembly.

The CSL Council, which set up the assembly, turned to Sanger for the leadership. Sanger, and the rest of the league, can be proud of their successful assembly, which was also presented at Kingsburg, Exeter, Dinuba, and Reedley.

Sanger High's students look into their future with wonderful hopes and dreams as another year at Sanger High comes to an end. Dedication to their work, leadership towards their fellowman, participation in activities, and sportsmanship at games will be carried in their hearts and minds not only through college, but also into this challenging and rewarding world. These important components of life, learned at Sanger High, will constantly remind the students of all the heart-warming experiences and memories of the exciting year of 1961-62!
